Bazaarvoice’s Shopper Preference Report delves into the complex landscape of consumerism and examines how macroeconomic factors influence consumption trends.

Shopper Preference Report engaged 8,089 participants in 6 countries across various age groups, ranging from 18 to 65.

**Shopper Preference Report, Gen Z Edition, focuses on insights from our 18-25 age group, with 851 participants.**

While our 18-25 age group isn’t a complete representation of Generation Z, whose age range spans from 12 to 27*, the insights gathered from this group offer valuable data for understanding the consumer behaviors and preferences of Gen Z, who have spending power.

These findings highlight the need for brands and retailers to understand and actively engage with these diverse consumer preferences, adapt their commerce strategies to align with industry-changing trends and foster lasting connections by meeting the dynamic expectations of today’s consumers.

Recap.

It’s clear that social media plays a significant role in influencing consumer behavior among Gen Z. A considerable proportion of respondents reported purchasing products they've seen on social media, with over half admitting to making purchases after watching videos showcasing these products. This emphasizes the power of video content in driving purchase decisions, as well as the preference for discovering new products through videos rather than still images.

Interestingly, personalized recommendations and customized offers are influential in fostering brand loyalty among Gen Z, suggesting the importance of targeted engagement strategies.

INVEST IN VIDEO CONTENT: Produce captivating video content tailored to Gen Z’s preferences on platforms like Instagram, TikTok, and YouTube to influence their purchasing decisions effectively.

MAKE IT PERSONAL: Implement data-driven strategies to drive higher relevancy with content, promotions, and interactions across social media.

PRIORITIZE AUTHENTICITY: Build genuine connections with Gen Z by showcasing brand values, reliability, and trustworthiness through user-generated content by activating the right community of everyday shoppers and creators.

Trusted by thousands of leading brands and retailers around the globe, Bazaarvoice’s platform is designed to seamlessly harness and amplify the genuine voices of your customers, encompassing a wide array of user-generated content so you can fuel any stage of the funnel to increase brand awareness, boost confident purchases, and inspire loyalty.
